Please refer to the street listing to identify your trash and recycling collection day. * Please refer to the calendar for the New Year's week holiday schedule.
Dear South Fayette Township Resident:

South Fayette Township provides a comprehensive solid waste program designed to encourage recycling and waste reduction, reduce litter in our neighborhood, and ensure that waste is disposed of in an environmentally responsible manner.

This guide includes various services that are available to residents. Waste Management pledges to provide the high-quality service residents expect and deserve.

Regular Curbside Collection

South Fayette Township contracts with Waste Management as the waste and recycling hauler for residents. Garbage will be collected once every week and recycling will be collected every other week according to the attached street listing. Please place the cart at the curb after 6 a.m. on the prior day or before 6 a.m. on the scheduled collection day. Please reference the street listing for your service day.

Service Inquiries

Residents should direct all questions and complaints regarding recycling and collection to Waste Management at 800-866-4460 or online at www.wm.com.

In the event of inclement weather, visit www.wm.com/alerts for service updates, delays and cancellations.

General Guidelines

- Garbage should be properly secured in containers or plastic bags, weighing 50 pounds or less.
- Place garbage at curbside, in a row, and do not exceed 15 bags/cans and 1 bulk item per week.
- Grass clippings and weeds should be in plastic bags.
- Carpet should be rolled and tied in lengths not to exceed 48 inches so that one yard of carpet will fit in the cart.
- Shredded paper is no longer accepted.
- Containers with clear bottoms (plastic and glass) will not be collected.
- NO Needles

Recycling

- Glass is no longer accepted for recycling. Glass runs hard on our machines and can contaminate other good recyclables.
- Containers that held food should be rinsed free of food debris and liquid.
- Make sure you are only recycling plastic bottles, jugs and jars. Any other plastic may be less recyclable.
